Ed McGaa, JD:

PRELUDE
8:30 a.m. to 9:00 a.m.

Meditation led by **Marilyn Rossner**, EdD, PhD, SSF founder

PROGRAM
9:00 a.m. to 12:00 p.m.

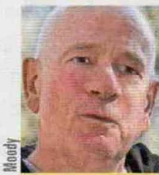

Hogan

a*) **R. Craig Hogan, PhD: “The State of the Art in Afterlife Communication”**

(Workshop: 3 hrs)

Dr. Hogan continues his report on recent developments in Afterlife research. (See Session 6)

Moody

b*) **Raymond Moody, MD, PhD: “How to Think About Things That Don’t Make Sense”**

(Workshop: 3 hrs)

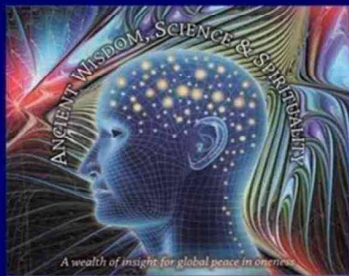

The big questions of existence require thinking about literal meaning and figurative meaning simultaneously. Yet logic is based solely on literal meaning. This workshop proffers exercises to reformat your mind to think coherently about life after death, free will, and the meaning of life.

Shealy

c*) **Juan de Dios Carrascosa: “You Are an Extraordinary Being”** *(Workshop: 3 hrs)*

The New Science — lost civilizations — obscured ancestral wisdom: something within us makes us harken to the clues that remain and the ghosts of lost ideas. This affects the way we live, and reveals how “We are extraordinary beings.”

Shealy

a*) **Juan Cayuela: "Bioconsciencia®"** (Lecture: 2 hrs)

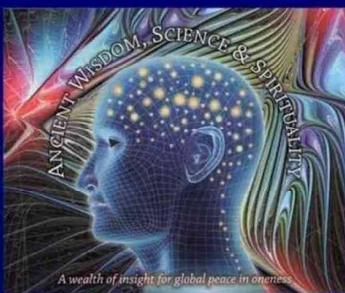

Bioconsciencia® is a holistic coaching program that follows WHO criteria. It melds elements of neuroscience, Ayurveda and even the traditional medicine of Easter Island. It's effective, innovative, easy, addictive and fun. Juan Cayuela, the creator of Bioconsciencia, has merged the knowledge harvested from lifelong study into a unique holistic approach to coaching that's growing in popularity and helping people enjoy healthier lives. (Follow-up workshop: Session 22b)

b*) **Emiliano Toso, PhD: "The Dance of Life: Integrating Science, Music & Spirituality to Expand Personal & Global Consciousness"** (Workshop: 2 hrs)

We are each part of the complex organism called humanity. For centuries, music has been recognized as a precious tool to help us understand the magic of life. The New Science is now able to integrate the power of Arts and Spirituality, making it possible to listen to our emotions, transform our lives and dance to the beauty of the Universe. (Continued from Session 2)

c*) **Juan de Dios Carrascosa: "You Are an Extraordinary Being"** (Workshop: 2 hrs)

The New Science — lost civilizations — obscured ancestral wisdom: something within us makes us harken to the clues that remain and the ghosts of lost ideas. This affects the way we live, and reveals how "We are extraordinary beings."
